

Facilities Services

Effective as of: 09.01.2014

American University of Armenia

Policy for Publication

Policy Number: ADMI20140001

The Facilities Services of AUA is responsible for the daily management of building maintenance/operation systems and Facilities services, including but not limited to heating, ventilation and air-conditioning, lighting, fire alarm/security, elevators, building repair/carpentry, and housekeeping.

Requests for services should be sent to the Facilities Department at building.management@aua.am.

Typically, the Facilities Department addresses requests within three working days. Urgent requests will be addressed in an expedited manner.
