

Renovation of the AUA Premises

Effective as of: 09.01.2014

American University of Armenia

Policy for Publication

Policy Number: ADMI20140007

Internal or external changes to doors, windows, walls, partitions, or any other physical structure on the AUA premises are not permitted without the approval of the AUA Facilities Department. The latter is responsible for renovation work, and for organizing and overseeing the actual work. Requests for services should be sent to the Facilities Department at building.management@aua.am.
