Sub-Granting

This policy and AUA Sub-Granting Manual regulate the relations connected with sub-granting processes to establish the general guidelines, process requirements, eligibility standards, and procedures on sub-granting done by the AUA. Unless otherwise required by the primary funding organization or grantor's Funding or Cooperation Agreement with AUA, all sub-granting works should adhere to this policy and the procedures of the AUA Sub-Granting Manual.

The AUA [*Executive Position TBD*] will be responsible for ensuring that the corresponding steps are taken to ensure compliance with this policy and the manual.
